

It was then I knew what I had to do
The time has passed and it's time to go
I'm going from the bottom to the top
It's time for me to go

Let me go, set me free, let me sing and let me dance
Don't you worry, I'll never leave
Let me go, set me free, let me sing, I need a chance
I'm heading to my final rise

It's all starting again
The time is flying by
And all of the people are listening
As I am crying to be free

Let me go, set me free, let me sing and let me dance
Don't you worry, I'll never leave
Let me go, set me free, let me sing, I need a chance
I'm heading to my final rise

Let me go, set me free, let me sing and let me dance
Don't you worry, I'll never leave
Let me go, set me free, let me sing, I need a chance
I'm heading to my final rise
